

Accedendo allo strumento Contact... vengono elencate le persone iscritte.

Curiosamente si vede che l'ultimo utente iscritto (Javid) prima della copia si è registrato venerdì 14 aprile e non venerdì 21.

The screenshot shows the admin interface of the Contact Form DB plugin. The browser address bar indicates the URL: `mibe.unipv.it/wp-admin/admin.php?page=CF7DBPluginSubmissions&form_name=Foreign`. The interface includes a sidebar with navigation options like Posts, Media, Pages, and Contact Form DB. The main content area shows a table of submissions for the 'Foreign' form, with columns for Submitted, form-type, firstname, surname, email, confirm-email, and deadline. The table lists several entries, including one for 'Javid Novruzov' on 2017-04-14.
